

B82A4E- PLASMA DONOR APPLICATION

LITERATURE SURVEY

1.BLOOD DONAR American red cross APP

The American Red Cross Blood Donor App puts the power to save lives in the palm of your hand. Donating blood, platelets and AB Plasma is now easier than ever.

- Find local blood drives and donation centers quickly and easily
- Convenient, easy appointment scheduling and rescheduling

Advantage:

- Easy to use.
- It works smooth and visually appealing

Disadvantage:

- The app had no specific location details for where the donations were being taken within the hospital.
- The scheduling part of this app is poorly designed.

2.DELHIFIGHTSCORONO

The Delhi government has launched the country's first plasma bank. If you are a recovered Corona patient, come forward and donate your plasma.

Your contribution may help save a life!

ADVANTAGE:

- It is specifically created for covid-19 patients

DISADVANTAGE:

- It is not specific for proper plasma donor application
